TWENTY CARS OF MELONS SHIPPED IN WEEK FROM CULLEOKA

ALL FORMER RECORDS SMASHED
AT THE BIG CANTALOUPE
SECTION.

GOOD RETURNS ARE RECEIVED

Cars Are Bringing The Growers Between \$400 and \$500 so far as Heard From in Spite of Quality Being a Little Off.

At the close of business tonight, the Culleoka Produce company will have shipped during the six days, nineteen or twenty cars of cantaloupes. Up to Friday night the company had shipped fifteen cars and planned to close the week with shipments of five cars. However, it may be that only four will be shipped, in which event the total for the week will reach nineteen car loads. At twenty cars this means that over 16,000 crates of the melons have gone to market from Culleoka in the week, a record never before made. Already the shipments, with the season only two weeks only, almost equal those of the entire season last year.

While the quality, because of the adverse season, is not up to last year, the returns so far received have been good and will average more than 50 cents per crate, or \$400 per car. One car that reported this morning sold for more than \$500. If an average of \$400 per car should be received the shipments for the week would be worth \$3,000 or within a few thousands of the shipments for any season heretofore.

No busier place in the county is to be found than the Culleoka Produce company. At one time this week twenty wagons were standing around waiting to be unloaded and the force is working from early morning to late at night. Every melon is inspected and then wrapped and packed and then placed in refrigerator car. In five car loads it is necessary to handle and inspect, wrap and pack more than 10,000 melons. In addition, there are thousands that are inspected only to be rejected.

PLAIN QUESTIONS TO COLUMBIA PEOPLE

Every Columbia Reader Will Admit
the Soundness of the Logic.

Would Columbia people recommend Doan's Kidney Pills as they do if the medicine were not reliable? Would they confirm their statements after years have elapsed if their experiences did not show the remedy to be deserving of it? Statements like the following must carry conviction to the mind of every reader:

W.S. Padgett, grocer, 213 E. Ninth St., Columbia, says: "My kidneys were weak. I used Doan's Kidney Pills and they gave me great relief." (Statement given February 8, 1911.)

On April 1, 1915, Mr. Padgett said: "I think as well of Doan's Kidney Pills now as I did when I first endorsed them. They are a good kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Padgett has twice publicly recommended. Potter-Milburn Co., Props., Buffalo, N. Y.—(Adv.)

OVER TEN PER CENT INCREASE IN TAXABLE WEALTH OF COLUMBIA

WILL YIELD MORE THAN \$4,000
INCREASE IN THE CITY
REVENUES.

GOOD RETURNS ARE RECEIVED

More Than a Quarter of a Million of Dollars—Figures for the Two Years.

Columbia's assessment of property, real, personal and mixed, for this year aggregates \$2,777,335, according to the report of the city board of equalization made to the board of mayor and aldermen on Friday night and approved. This is an increase over last year of \$262,643.

The tax rate for the current year, according to the declaration made in the last campaign, will be reduced to \$1.50 on the \$100. This will yield in city revenue on the whole assessment taxes of more than \$41,000.

The increase in the assessment of more than ten per cent will yield about \$4,000 additional revenue to the city government. The assessment of all property in the city last year was \$2,514,692, so that the increase for the year was more than ten per cent.

About \$150,000 of the increase was made by the city assessor, Thomas R. Friel and another \$100,000 was added by the city board of equalization, but the major portion of the latter increase came through picked up or newly discovered property.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

H. A. MOORE BUYS BIG HERD DUROCS

FROM THE FAMOUS BREEDERS,
McGEE BROS., OF VER-
SAILLES, KY.

H. A. Moore, of the firm of R. F. Moore & Sons, has returned from Versailles, Ky., where he attended the big auction sale of McGee Bros' registered Duroc Jersey hogs.

Mr. Moore purchased twenty-five of the high-class sows and boars, and will in the future raise the Durocs exclusively. He will have an auction sale some time this fall at his big farm "Barrow-Moore." One sow in the lot purchased by Mr. Moore is only twenty-one months old and weighs six hundred pounds.

All of the hogs purchased by Mr. Moore are descendants of the Lamons Defender boar, twice grand champion of the United States, and all of the animals bought are of the highest type.

MANY IMPROVEMENTS MADE AT INSTITUTE DURING THE SUMMER

EVERY BATH ROOM IN BUILDING
HAS BEEN RETILED AND
BEAUTIFIED.

HARDWOOD FLOORS ARE LAID

Dr. Capers, in interview, Expresses
Much Enthusiasm Over the New
Faculty—Greatest Care Being Exer-
cised and Expense not Considered.

A representative of The Herald called at the Institute today and was very much impressed with the substantial improvements which Dr. Capers has had in progress during the summer and which are now near completion. Among the most attractive of these are the beautiful bath rooms, every bath room in the building having been tiled and furnished throughout with the most modern equipment. Hardwood floors to match those laid by the Alumnae Association in the east hall and parlor have been laid in the west parlor and extended through the west hall. Hardwood floors are also laid in the halls of the second story. The wide back piazza, facing the south, has been given a new floor and other new woodwork and converted into a sun parlor.

At the last meeting of the board of trustees, a plan was approved which contemplated work on the exterior of the main building which would preserve for all time its striking architectural beauty. As a preparatory step toward the work which will follow on the walls next summer, new cedar lintels and cedar sills will replace the old ones. The lintels will conform to the handsome pattern of the present ones. All the woodwork on the exterior is being tastefully painted.

Dr. Capers was especially enthusiastic about the personnel of the new faculty, in the selection of which he has exercised the greatest care without relation to the item of expense. Of the teachers who have heretofore been associated in the work of the Institute, the following will return in September:

Mrs. Louise M. Clark, Miss Mary Carpenter, Madame De Marco, Miss Charlotte Henderson, Miss Carrie Williams, Miss Emma Capers, Mrs. L. S. Paschal, Miss Mary Ashton, Mrs. Eugene Long, Mrs. Mary B. Hine, Miss Thelma Dunn, secretary.

The new members of the faculty will be:

Mrs. Mary C. Forbes, New York City, Art. Mrs. Forbes has enjoyed the opportunities of the best studios and galleries abroad, where she received distinguished recognition for her work. She has also had the best advantages in this country, and has had a very successful career as an art instructor in some of our leading colleges.

Miss Lucy M. Alexander, Mathematics and Science. Miss Alexander is a B. A. graduate of Vassar and has a most creditable record in her work.

Miss Gertrude McShane, Emerson School of Expression, Boston. Miss McShane will direct the work in expression and physical culture. Miss McShane is a member of one of the most prominent Mississippi families, her father being president of the McShane Cotton Co., Greenwood, Miss.

Miss Laura Robertson, Voice. Miss Robertson comes with the highest recommendations as possessing a beautiful voice as well as being a most successful teacher. Shakespeare, of London; Louis Simmons, New York; and other eminent voice instructors have been her teachers and give her most unqualified recommendations.

Mrs. Hugh M. Anderson, widow of the late Hon. Hugh M. Anderson, speaker of the senate, will be associated with the preparatory and literary work of the school and will also assist Dr. and Mrs. Capers as social hostesses.

Dr. Capers has built up his faculty, especially in the cultural courses, with a view to furnishing an opportunity for those in the community who may desire instruction in piano, voice, expression, art, domestic science and native French, even though they may have completed their regular school work. The formal announcement of the opening of the school appears elsewhere in this issue.

WHY ENDURE SUMMER COLDS?

It isn't necessary to have a stuffed head, running nose. To cough your head off as it were. All you need do is to use Dr. Bell's Pine-Tar-Honey. The soothing and healing balsams open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.—(Adv.)

THOUSANDS ATTEND REUNION VETERANS WHO WORE THE GRAY

CULLEOKA MECCA FOR A CROWD
ESTIMATED AT MORE
THAN 2,000.

GENUINE HOSPITALITY ABOUND

Inspiring And Eloquent Address By
Hon. Hardin P. Figuers is the Fea-
ture of the Day—Pays Glowing
Tribute to Soldiers of South.

At a conservative estimate not less than 2,000 people attended the Confederate reunion and basket dinner at the Culleoka School grounds on Friday. It was one of the largest crowds ever known at that place. People came from all parts of the Southern section of the county, from Columbia, Marshall county, Giles county, Nashville and other places. There were large and small and old and young. Probably between 75 and 100 of the rapidly thinning line of the heroes of the sixties were present to renew acquaintance and enjoy another reunion. They were from Maury, Giles and Marshall counties and from Nashville.

If anyone doubted the genuine hospitality of the people of the Culleoka section, or held to the opinion that it was less pronounced now than in the former days, of which one is wont to sigh, a visit to the reunion on Friday would have removed the doubt. There was a lavish abundance of all the good things to eat. Everything which a prosperous country affords was there in the greatest abundance and everyone, large and small, stranger or not, was made welcome and forced to eat of the best that the land affords. It is estimated that there was enough to have fed a much larger crowd, much being carried away.

The old soldiers genuinely enjoyed the day; they had a good time. Some of them are getting feeble and it cost them some exertion to attend, but they were all heartily glad that they had been there.

The feature of the day was the beautiful and eloquent address of Hon. Hardin P. Figuers, of the Columbia bar. Mr. Figuers paid a glowing tribute to the valor of the Confederate soldiers. He was a boy during the stormy days of the war and as a boy was an eye witness of much of the great battle of Franklin and its scenes left a never to be effaced impression upon his mind. No man is more familiar with the history of that titanic struggle than Mr. Figuers and his address was greatly enjoyed by the veterans and the large crowd.

Another very delightful feature of the day was the abundance of music furnished by the Culleoka brass band. This splendid organization is ever ready to lend its aid to any public movement.

HISTORY REPEATS.

When I was calling on my wife
In happy days of yore
I must have married her father's life
And been an awful bore.

A youngster calls upon our girl,
I use him as a test,
I do not want to be a churl,
But really he's a pest.

I guess I pestered my wife's dad,
But the old man was game,
He put up with a pesky lad,
I ought to do the same.

MISSION SOCIETIES OF BAPTIST CHURCH HONOR A MISSIONARY

JOINT MEETING HELD TO WISH
MISS HAZEL ANDREWS
GODSPEED.

LEAVES SOON FOR EASTERN FIELD

Beautiful And Appropriate Services
Mark Interesting Farewell Service
At The Residence of Mr. and Mrs.
J. W. Shelton.

At the home of Mr. and Mrs. J. W. Shelton on Ninth street, the three missionary societies of the First Baptist church met Thursday afternoon in joint session as an expression of love and esteem for Miss Hazel Andrews, who leaves within a few days for the mission field in China. Besides the members of the societies, there were present also quite a number of friends from the other churches to enjoy the occasion. The program itself consisted of an artistic arrangement of scripture quotations on "Love," followed by songs and readings and expressions of appreciation of Miss Andrews. A most beautiful poem from the gifted pen of Mrs. A. F. Burnley was read in her own gracious and inimitable ways. Prayers were offered; and the meeting, while deeply devotional, was yet one of unusual charm and sunshine. Mrs. S. T. Maxwell, the President of the Woman's Missionary Society was in charge of the program, and presided in her own gifted way. Refreshments were served under the direction of Mrs. Jos. L. Brownlow and Mrs. J. C. Ellington. The cake served was a large one in the shape of a heart which had in the center the most appropriate scripture reference, Num. 6:24-26—a text so tender and full of devotion and prayer.

The decorations were both modest and artistic. Appropriate texts and mottoes were numerous displayed. Perhaps the most conspicuous of all was a basket-like arrangement of three hearts suspended just above the center of the large dining table and which served as a receptacle for the silver shower that was given to Miss Andrews by the societies and friends with the instruction that she use the money for herself alone. On each of the three hearts forming the receptacle were the initials of the three societies, W. M. S., Y. W. A., and G. A. Just beneath these three suspended hearts was placed the large cake just mentioned.

Miss Andrews, while a member of the Central Church in Nashville and having spent most of her time there in religious work, is yet so well known in Columbia that she is regarded as one of the people here, she having also spent quite a deal of her time with relatives here and always rendering active and most gracious christian service in very efficient ways when ever she has been here. Having just completed the years work in the Woman's Training School in Louisville, she has accepted appointment from the Foreign Mission Board of the Southern Baptist Convention, and will sail in about two weeks for her field in China. The conditions of her appointment and the work to which she goes indicate that she is held in unusually high esteem as a qualified and capable missionary by the Board that sends her, and the societies thus honoring her feel that such appointment is a compliment of which they are justly proud. This Board is very exacting with regard to both character and qualification in its appointees; and at this season, when finances are most strenuous, few recruits are being sent at all. And all this, at this time, makes the appointment of Miss Andrews to immediate work and appointment of more than ordinary importance.

MEMBERS COURT GIVE TO BAND

CONTRIBUTE ONE DOLLAR EACH
TO INDUSTRIAL SCHOOL
COMPANY.

Members of the county court of Maury county, in appreciation of the efforts of the Industrial School Band, are going to make a substantial contribution to that organization. At the suggestion of Judge McKnight, who headed the subscription, every member of the court is giving one dollar to the band fund, which will make, when all have contributed, \$25 more for that worthy cause. If every county court in the state would do as well it would be easy to raise the funds necessary. On more than one occasion this band has come to Columbia to make music and always without any charge.

TAPS SOUNDED FOR CAPTAIN W. A. VOSS GALLANT SOLDIER

DEPUTY SHERIFF ANSWERS THE
FINAL SUMMONS AFTER A
LONG ILLNESS.

LONG AND EFFICIENT OFFICER

Had Served His Country Well, Both
in Peace and in War and Was De-
voted Member of the First Metho-
dist Church—A Mason.

(Saturday's Daily.)
Capt. William A. Voss, deputy sheriff and one of the best known citizens of the county, died shortly after 3 o'clock this afternoon, after an illness of several months. Life had been despaired of for several weeks and for the past few days death was only a matter of hours. He suffered a sinking spell yesterday and since then there had been no hope.

Capt. Voss was seventy years of age, was a gallant Confederate soldier and for many years had been one of the best known and most efficient officers of the county. He served several years as a member of the police force when the late John Latta was marshal. No better officer ever served the city or county.

He was also for many years a constable of the Ninth district. Off and on he was an officer for probably nearly a third of a century and for the past two years had been office deputy under his son-in-law, Sheriff J. Walter Griffin. He was an active member of the Masonic lodge and an officer in it for many years.

He was a devoted member of the First Methodist church, a citizen without reproach. No man had more friends than Capt. Voss or held to a higher degree the esteem and confidence of the public.

Capt. Voss is survived by nine children: Mrs. J. Walter Griffin, Mrs. William J. Lancaster, Miss Robert Voss, Irvin Voss, Figuers Voss, Mrs. Joe Lee, of Lebanon; Mrs. W. T. Dooley, of Hillsboro and Austin Voss, of Ft. Worth, Tex. Mrs. Voss, the faithful companion of Capt. Voss, died two years ago this month.

The funeral will occur Sunday afternoon at three o'clock at the First Methodist church. The interment will be in Rose Hill cemetery, with full Masonic honors. The members of Columbia Lodge No. 31, are requested to meet in the hall at two-thirty o'clock.

GILBERT ORR IS MUCH IMPROVED

IS ABLE TO SIT UP—CALLED THE
HERALD OFFICE TODAY AND
TALKED TO REPORTER.

The many friends of Gilbert Orr will be pleased to know that he is able to sit up and receive his friends. He called The Herald office today and stated to the reporter that he was feeling much better and was gradually improving, and was anxious to see his friends. His voice has the same old familiar sound and is good to listen to. This will be good news to his hundreds and hundreds of friends.

SCOFFERS PAY THE PENALTY

Those who ignore warning signals of disordered kidneys and scoff at dangers of serious consequences often pay the penalty with dread diabetes or Bright's disease. If you have back, pains in sides, sore muscles, stiff joints, rheumatic aches—take Foley Kidney Pills and stop the trouble before it is too late.—SMISER DRUG CO.—(Adv.)

**Old Folks Saved
From Suffering**

Mrs. Mary A. Dean, Taunton, Mass., in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have proven most beneficial in my case."
Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night, and I consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."
Mrs. M. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years. I commenced taking Foley Kidney Pills ten months ago, and though I am 61 years of age, I feel like a 18-year-old girl."
Foley Kidney Pills are tonic, strengthening and up-building, and restore normal action to the kidneys and to a disordered and painful bladder. They act quickly and contain no dangerous or harmful drugs.
